Shinto Priestess, Kimono Dresser, photographer:
Rev. Kuniko Kanawa

[SHINTO CEREMONY]
Traditionally, Shichi-go-san is a Shinto custom. You have an option to add this cemonial service led by ordained Shinto priestess, Rev. Kuniko Kanawa, to humbly appreciate and pray to *kami* (deities) for your child's growth and well-being. Your fee to offer the evergreen Tamagushi branch to Kami is an additional $60.

[KIMONO]
3 & 7 year old girls – Choose from selections of three different colorful & gorgeous kimono, *obi* sashes and hair accessories.
The size (from shoulder to bottom) for girls, who are 3 years old, is 91cm and 93cm, and 7 years old is 132cm.
5 years old boys – Choose from a selection of three different color & gorgeous pattern *haori-hakama.* The sizes of kimono for boys are 100cm from shoulder to the ankle and 70cm for *hakama* from pelvis to below the ankle.
Please understand that kimono may appear slightly shorter or longer, depending on your boy's height. The photographer will work on angles and framing for the best shots possible.
